## Managing Change in Your Organization

*Speakers: Craig Rapp and Katy Rush*

Whether from internal needs or external pressures, change demands to be understood and managed in such a way that people can cope effectively. Change does not happen in isolation—it impacts

everyone surrounding it, and every person touched by it will react differently. To manage organizational change successfully and positively, you must address the effects of change with thoughtful planning and wise implementation and by involving individual voices. Regardless of what position you hold in local government, this series will provide you some insight on how to manage change effectively within your organization.

Craig Rapp will be joining us in April (Westchester) and May (Elk Grove Village). Craig is a recognized speaker, facilitator and consultant for the public and non-profit sectors and is dedicated to helping individuals gain clarity on their purpose, focus on what matters and achieve the results they desire.

Katy Rush will be leading the discussion in June (Naperville). Katy recently retired as Village Manager at the Village of Woodridge, where she worked for over 20 years.
