IAMMA Recognizes 2024 Award Winners

DEKALB, ILLINOIS - Founded in 1972, the Illinois Association of Municipal Management Assistants (IAMMA) represents professionals working in municipal management throughout the State of Illinois. IAMMA's membership includes professionals serving as assistant administrators/managers, administrative interns, assistant department managers and directors in Illinois municipalities, counties, and councils of government.

Each year, IAMMA recognizes the achievements of its members and others dedicated to the field of public administration. The IAMMA awards highlight the commitment of local government professionals at all career levels, from intern to manager, and celebrate the efforts of those who work to advance city/county management.

The IAMMA Awards have four categories: Gregory F Ford Outstanding Member Award, Future Leader Award, Innovative Community Program or Special Project Award, and Distinguished Mentor Award. Each of the awards is voted on by IAMMA members in a survey that is sent out to all members.

This year's awards were presented at the annual IAMMA Conference on April 19. IAMMA is thrilled to announce this year's award winners:

- **Gregory F Ford Outstanding Member Award:** Evan Michel, Township Manager, Oak Park Township
- **Future Leader Award:** Tyler Grace-Management Analyst, Buffalo Grove Fire Department
- **Innovative Community Program or Special Project Award:** Glen Cole, Assistant City Manager/Community Development Director, City of Rolling Meadows
